This is the **unofficial evaluation** of your credits to date including transfer credits (if applicable) in your chosen major. **This evaluation is official when all official transcripts for all previous college work are received; and reviewed and approved for transferability by the Registrar's Office.** Beginning with your first semester of enrollment, your Degree Audit Report in My.LaRoche will automatically track your progress toward your degree, and guide you in planning future class schedules. Review your updated Degree Audit Report with your advisor prior to registering each semester.

PURPOSE: The Master of Science in Accounting offers an advanced level of study in various, specific topics in the accounting profession that do not typically appear at the undergraduate level. Students enrolled in the program will be able to further their professional careers with the knowledge gained from these advanced level courses. Students successful in the program will earn 30 credits to enable them to meet the 150-hour CPA certification requirement.

REQUIREMENTS: To successfully complete the Accounting Masters program, the following coursework is required:

- 30 credits as listed under "Major Component/Requirements"

The Master of Science in Accounting, a program in the Business Group, is accredited by the Accreditation Council for Business Schools and Programs (ACBSP), a leading, specialized accreditation association for business education.
