This is the **unofficial evaluation** of your credits to date including transfer credits (if applicable) in your chosen major. **This evaluation is official when all official transcripts for all previous college work are received; and reviewed and approved for transferability by the Registrar's Office.** Beginning with your first semester of enrollment, your Degree Audit Report in My.LaRoche will automatically track your progress toward your degree, and guide you in planning future class schedules. Review your updated Degree Audit Report with your advisor prior to registering each semester.

**PURPOSE:** A major in Biology is meant to prepare students for graduate work, for admission to a professional school, for teaching or for research technology.

**REQUIREMENTS:** To successfully complete the Biology major, the following coursework is required:

- 63 credits as listed under "Major Component/Requirements"
- 8 credits of Major Electives
- 37 CORE credits
- 12 General Elective Credits
- A minimum number of 120 credits are required for degree, the last 30 of which, and 50% of the major must be earned at La Roche College. (Developmental course work does not count toward the minimum number of required credits for graduation.)
