Unofficial Eval Completed by/date: _____

This is the **unofficial evaluation** of your credits to date including transfer credits (if applicable) in your chosen major. **This evaluation is official when all official transcripts for all previous college work are received; and reviewed and approved for transferability by the Registrar's Office.** Beginning with your first semester of enrollment, your Degree Audit Report in My.LaRoche will automatically track your progress toward your degree, and guide you in planning future class schedules. Review your updated Degree Audit Report with your advisor prior to registering each semester.

PURPOSE: A major in Middle Level Science is meant to prepare students for a career as a highly qualified teacher education candidate skilled to teach any core subject at the 4th-6th grade level and skilled to teach Science content area at the 7th-8th grade level. For state certification, students must meet all the competency standards set by the Pennsylvania Department of Education.

REQUIREMENTS: To successfully complete the Middle Level Science Certification major, the following coursework is required:

- 45 credits as listed under "Major Component/Requirements"
- 47 credits of Education Requirements (22 of which require Official Major Status prior to registration)
- 37 CORE credits
- A minimum number of 129 credits are required for degree, the last 30 of which, and 50% of the major must be earned at La Roche College. (Developmental course work does not count toward the minimum number of required credits for graduation.)
