This is the **unofficial evaluation** of your credits to date including transfer credits (if applicable) in your chosen major. **This evaluation is official when all official transcripts for all previous college work are received; and reviewed and approved for transferability by the Registrar's Office.** Beginning with your first semester of enrollment, your Degree Audit Report in My.LaRoche will automatically track your progress toward your degree, and guide you in planning future class schedules. Review your updated Degree Audit Report with your advisor prior to registering each semester.

**PURPOSE:** To complete pre-requisites for Phase II of LECOM's Pharmacy program.

**REQUIREMENTS:** To successfully enter this program, the following conditions must be met:

- minimum SAT  $\geq$  1170, ACT  $\geq$  26 (students in 3+ track without SAT/ACT scores must take PCAT)

- Must apply to LECOM prior to start of 2<sup>nd</sup> year for 3+ track and 3<sup>rd</sup> year for 4+ track.

This is an Early Acceptance Program and is provisional. Phase I consists of pursuing an LRC major. There are two tracks for Phase I: a 3+ and 4+. Students in the 3+ track only spend 3 years in Phase I and must complete at least 75% of their LRC major and have in place a plan for transferring back LECOM pharmacy courses to complete their major prior to entering Phase II.

To successfully enter Phase II, the following pre-requisites (in conjunction with the requirements another LRC major) are required:

- 62 credits (35 Science (Biology, Chemistry, Physics, & Mathematics) 12 Humanities and 15 General Electives)
- No grade lower than a C allowed in the courses listed.
- No CLEP or P/F credits allowed.
- AP scores of 4 or 5 may be accepted but a replacement course applicable to the field of Pharmacy or a course of similar academic rigor must be taken instead.
- Up to 2 courses + labs may be taken at another institution but cannot reduce course load.
- Minimum course load of 14 credits must be taken per semester and semester GPA  $\geq$  3.0 to remain in program.
- Minimum overall QPA  $\geq$  3.4 and minimum science QPA  $\geq$  3.2
- PCAT is optional but highly recommended. If taken, scores must be reported.

In addition, students must attend a minimum of 2 consecutive years at LRC. All students completing Phase I must be approved by the Pre-professional faculty committee to enter Phase II. There are only 5 seats available each year. LECOM has 2 campuses for Phase II: Erie (3 year program) and Bradenton (4 year program). Students apply to either but not both using the PharmCAS application process.
