

La Roche College
WEB DESIGN AND DEVELOPMENT MINOR PROGRAM GUIDE
 Department: Information Systems Technology

Student Name _____
 I.D. Number _____

___ First Year Student
 ___ Change of Major

___ Transfer
 ___ Readmit

Unofficial Eval Completed by/date: _____

PURPOSE: The Web Design & Development Minor combines the best of the Graphic & Communication Design, Information Technology and Marketing departments to provide a well-balanced overview of both programming and design. There are two distinct programs for this minor:

- 1) for students in Information Systems Technology and all other majors on campus
- 2) for students enrolled as Graphic & Communication Design majors

REQUIREMENTS: To successfully complete the Web Design & Development Minor students will complete a minimum of **15** credits, and maintain a minimum GPA of 2.0 in the minor coursework.

Students will be required to purchase or have access to their own specific URL and complete access to administering the URL. The student must maintain and keep this URL active during the life of their minor coursework.

	<u>Credits</u>	<u>Transfer Course #/Comments</u>
1) <u>WEB DESIGN & DEVELOPMENT MINOR FOR ALL OTHER MAJORS</u>		
<u>Required Courses: 12 Credits</u>		
___ GCDN1080 Web Graphics I	3	_____
___ GCDN2080 Web Graphics II	3	_____
___ GCDN3046 Multimedia	3	_____
___ ISTC3028 Scripting for the Web	3	_____
<u>Minor Electives: Choose 3 Credits from the following:</u>		
___ GCDN1025 Fundamentals of Electronic Publishing	3	_____
___ ISTC2025 Computer Based Training	3	_____
___ ISTC2045 Database Management Systems OR	3	_____
___ CSC12055 Database Systems Theory	3	_____
___ ISTC3008 Web Page Usability & Programming	3	_____
___ ISTC3015 Human Computer Interaction	3	_____
___ ISTC3030 Linux	3	_____
___ ISTC3034 Computer Programming in Java OR	3	_____
___ CSC11010 Programming I	3	_____
___ ISTC3046 Advanced Database Management Concepts	3	_____
___ MRKT3050 Internet Marketing	3	_____
2) <u>WEB DESIGN & DEVELOPMENT MINOR FOR GRAPHIC AND COMMUNICATION MAJORS</u>		
<u>Required Courses: 3 Credits</u>		
___ ISTC3028 Scripting for the Web	3	_____
<u>Minor Electives: Choose 12 Credits from the following:</u>		
___ ISTC2025 Computer Based Training	3	_____
___ ISTC2045 Database Management Systems OR	3	_____
___ CSC12055 Database Systems Theory	3	_____
___ ISTC3008 Web Page Usability & Programming	3	_____
___ ISTC3015 Human Computer Interaction	3	_____
___ ISTC3030 Linux	3	_____
___ ISTC3034 Computer Programming In Java OR	3	_____
___ CSC11010 Programming I	3	_____
